The Dominion Country Club Announces \$3 Million Reinvention

San Antonio, TX (June 2nd, 2016) – The Dominion Country Club has announced their \$3 Million reinvention and renovation, which will include the addition of a state-of-the-art fitness center, and a new high-energy Member dining area, complete with a long-awaited bar for adults and an outdoor patio, a significant and exciting change for The Dominion. Final bidding on this \$3,000,000 project is underway, and they expect to break ground within the next two months.

The Dominion Country Club is dedicated to growing the game of golf by creating a Club environment filled with not only competitive events, but with a calendar of fun activities for the entire family. The Dominion's focus in 2016 is to add value to the Member Experience by expanding the range and number of Member events offered. Effective in June, The Dominion will be offering Free Clinics and Lessons for Golf Members to enjoy. The Dominion Country Club's goal is simple – make golf *FUN* for everyone! Every Dominion Member and their families will have the opportunity to participate in complimentary, fun-filled instruction geared toward new and novice golfers. Several NEW and fun golf events have been added to the calendar, such as "Friday Night Lights" with Happy Hour on the Range. On June 17th, Members will enjoy "Happy Hour on the Green", with live music by country recording artist, Drew Womack!

With complimentary Golf Clinics, expanded dining hours, and very soon, a new Grille, Bar and Outdoor Patio for Members to enjoy, there has never been a better time to join! Effective immediately, and until July 26th when construction is scheduled to begin, The Dominion Country Club is offering a special opportunity to JOIN THE DOMINION COUNTRY CLUB WITHOUT PAYING AN INITIATION FEE! As an alternative to paying the current \$15,000 Initiation Fee, The Dominion is offering any prospective new Golf Member the opportunity to sign a Two Year Loyalty Agreement, which will WAIVE the Initiation Fee. Concurrent with the beginning of construction, scheduled for July 26th, the Initiation Fee for a Golf Membership will return to \$15,000. Upon completion of the \$3,000,000 renovation, including the addition of a state-of-the-art fitness center, an exciting new Member grille, lounge, and outdoor patio, the Initiation Fee will increase to \$25,000; a significant value for the amenities, services and quality that The Dominion will provide.
